### Property Description

The development consists of a three storey building with the name "Kornaro", consisting of basement with parking spaces and storage, three shops on the ground floor, and on the upper floors 12 apartments which are all used as offices. The property under study is a flat with door number 105 located on the east part of the 1st floor.

The flat consists of an open plan kitchen and sitting area, two toilets and a bathroom, three bedrooms and two covered verandas. The master bedroom has a toilet and bathroom en-suite. The apartment was modified compared to the layouts (kitchen was separated with plasterboard) for the needs of the previous tenant, who used it as an office space.
